TEACHING EXPERIENCE

Department of Psychology, Columbus State Community College
Adjunct Faculty

Columbus, OH
September 2012

- Taught one Introduction to Psychology class

Indiana University Department of Counseling and Educational Psychology Bloomington, IN
Graduate Assistant January 2002 – May 2003

- Taught SPSS for the statistic laboratory classes of various levels of graduate static courses, such as intermediate, experimental design, and multivariate statistics classes. Assisted the instructors teaching the main courses, and tutored students.

Indiana University Department of Counseling and Educational Psychology Bloomington, IN
Associate Instructor August – December 2001

- Taught two undergraduate courses. 1) Taught students who were considering teaching as their career. The class focused on characteristics of being a teacher and helped students become familiar with new trends in the teaching profession, 2) Taught education major students to incorporate counseling skills (i.e. listening, questioning, & empathizing among others) in the classroom, facilitated their multicultural understanding, and supervised collaborative inquiry and teaching projects.

RESEARCH EXPERIENCE

OSU Counseling & Consultation Service
Research (& Technology) Committee

Columbus, OH
September 2009 – June 2013

- As chair of committee, coordinated center's research activities and provide interns with research opportunities. Current studies participating in include 1) national suicide study on college students, 2) center's outcome study using CCAPS (Counseling Center Assessment of Psychological Symptoms), 3) international students counseling service utilization, & 4) minority supervisors' supervision experiences.

OSU Counseling & Consultation Service
Co-investigator for Photovoice Project

Columbus, OH
September 2010 – June 2013

- As a co-investigator for the Photovoice Project that was initiated by a colleague in other department, involved in IRB application procedure, ran the sessions with a co-facilitator, and presented findings at the local and national conferences. Our manuscript is under review for publication.

OSU Student Life Office
Student Life Assessment and Research Team (SLART)

Columbus, OH
September 2009 – August 2012

- As a member of SLART, participated in the research sub-committee to steer research projects to help assessment and research efforts in the Student Life in general.

Doctoral Dissertation

August 2003 – March 2008

- **Title:** A Study of Counseling Process Using Critical Qualitative Methods: A Focus on Caring in a Cross-Cultural Dyad Between a White Male Therapist and a Korean National Female Client

This study investigated how the therapist conveyed caring toward the client and how the client responded to that when their cultural backgrounds are different. The purpose of this grounded and critical qualitative research was to develop a theory of caring in cross-cultural counseling. This critical qualitative study used a dyad of a White male counselor and a Korean female student client from South Korea.

Indiana University Department of Counseling and Educational Psychology Bloomington, IN
Research Assistant January 2001 – August 2004

- Participated in qualitative counseling process research on cross-cultural dyad with clients' acculturation experiences as the focus of the counseling. Conducted 12 sessions of counseling as a therapist with Korean student client. Involved in the interviewing, transcribing, coding of the resulting data, and presenting the results at the APA annual conference. Also assisted in other qualitative research projects by doing field research, transcribing tapes, and finding journal articles.

Indiana University Department of Counseling and Educational Psychology Bloomington, IN
Primary Investigator January 2001 – August 2004

- Conducted three qualitative research studies as a doctoral student: 1) Korean Families' Acculturation to American Education System, 2) International Counseling Students' Acculturation Process and Professional Identity Development, and 3) Process and Outcome Research of A Personal Growth Group for Student Teachers. Presented some of the results of the first two studies at ACA and Great Lakes Conference.

Department of Education, Indiana University
Research AssistantBloomington, IN
February – March 2002

- Applied SPSS program for research on special education, analyzed the SPSS output, and wrote up the results.

Department of Political Science, Indiana University
Research AssistantBloomington, IN
August 2000 – July 2001

- Collected requested information through data base search, made copies of journals, and wrote summary report of books related to African American politics and the issues of Bush – Gore presidential election.
