*The Standing Committee on Diversity (SCD) promotes cultural diversity, multiculturalism, social justice, and advocacy issues within ACCTA, and works to ensure that such issues remain in the consciousness of the organization. In support of this mission and consistent with the values of ACCTA, the SCD is involved in several initiatives and activities during the year. In particular, the SCD makes recommendations to the Membership and the ACCTA Board about ways in which ACCTA can be more welcoming and inclusive to members of underrepresented groups. The SCD serves as consultant to the Board on issues related to diversity, multiculturalism, social justice, and advocacy. The SCD also strives to promote the professional development of our membership, through the coordination of the culture sharing program, and by ensuring that there are diversity-related presentations on the annual conference program. The SCD oversees the Diversity Scholars program, and presents a nomination slate for the annual Board elections. Once a year, the SCD meets at the ACCTA conference, and communicates throughout the year on the SCD listserv.*
